UPDATED JULY 17th:

HUNTERDON COUNTY CLERK'S OFFICES

07/17/2020

The Hunterdon County Clerk's Office is now open to the public **9am-4pm**.

The public must wear a face covering when entering the building. Our public hours have been adjusted to 9am-4pm.

County Clerk's Passport Service:

We will begin processing passport applications **by appointment only** to avoid crowding and to maintain proper social distancing within our office. The US Department of State is not providing delivery turnaround times of passports or documents. They are still experiencing backlogs and delays. There is no expedited service provided at this time. Offices are opening in Phases and are still in Phase One- processing only Emergency Passports (life & death situations). **Please call our office at (908)788-1221 to make an appointment, and to find out how to make sure your visit and time applying for your passport is organized and efficient.**

To see the latest COVID information from the US Department of State Passport Operations-please visit the link below at:

Search Room

The Search Room is now open to the public. A face covering must be worn. Gloves are provided. Due to the social distancing requirements, staff assistance will be limited to providing verbal instructions on how and where to search for the reference materials and what is available within the Search Room.

Unfortunately, for their protection as well as your own, they will not be permitted to stand close to customers as in the past nor work with them throughout the Search Room. We ask that you maintain the recommended "6 feet" of social distancing when researching records.

Ident-a-Shred

The next Ident-a-Shred event is scheduled for Saturday, September 12, 2020 from 8am-noon at the Route 12 County Complex.

We welcome you back. Our employees' health and safety as well as your health and safety are of the utmost importance to us.

All our best from our office to our friends that everyone gets through this healthy and safe,

Mary H. Melfi
