### Our Park Locations

Our programs usually take place at these parks, but other locations are also available.

#### County Arboretum

*1020 Highway 31 North, Lebanon 08833*

#### Mountain Farm/Teetertown Ravine

*20 Pleasant Grove Road, Port Murray 07865*

#### Echo Hill (South Branch Reservation)

*42 Lilac Drive, Flemington 08822*

#### Deer Path Park

*120 West Woodschurch Rd, Flemington 08822*

Hold your next camp-out at one of our parks! Echo Hill and Mountain Farm both have primitive group camping sites. Call for availability.

**DAISIES**

**Between Earth and Sky Journey**

**Seeds & Plants:** Learn about seeds and plants, including invasive plants.

**The Daisy Flower Garden Journey**

**Composting:** Learn about different types of composting, including worm composting.

**Garden Party:** Visit our gardens and surrounding property at the Arboretum with a Naturalist. Bring your own refreshments and enjoy a picnic!

**5 Flowers, 4 Stories, 3 Cheers for Animals! Journey**

**Nests & Eggs:** Learn which animals lay eggs and make nests, and why, and touch some real nests.

**BROWNIES**

**Wonders of Water Journey**

**Water Issues:** Learn how important water management is to humans and the environment.

**Pond/Stream Study:** Explore a wetland by using nets to catch freshwater critters!

**Legacy Badges**

**Artist—Painting:** Paint the real world, a mood, and paint with something from nature.

**First Aid—Brownie First Aid:** Meet an EMT who will teach you basic first aid.

**Naturalist—Bugs:** Study bugs with a Naturalist!

**Skill Building Badges**

**Craft—Potter:** Make a pot and an art piece.

**Outdoors—Hiker:** Learn about hiking gear and places to hike nearby. Or learn the skill of orienteering at Echo Hill.

**Visiting our Parks**

Make sure your group is ready to learn and have fun during their park visit. Encourage all participants to dress for the program. All visitors must respect our parks and each other.

**GIRL SCOUTS**

**JUNIORS**

**Get Moving! Journey**

**Natural Nestings:** Take a walk to learn about natural packaging and look for examples.

**Recycling:** Learn about recycling in this PowerPoint with related activities.

**Recycled Paper:** Learn about recycling as we make our own paper!

**Animal & Plant Energy:** Take a walk to look for animals and plants and learn about how they move and use energy.

**Agent of Change Journey**

**Teambuilding:** Our fun challenge activities foster teamwork, communication, and problem-solving skills.

**Legacy Badges**

**Artist—Drawing:** Try different materials, add shading, or draw like a graphic artist.

**First Aid—Junior First Aid:** Meet an EMT who will show you first aid.

**Naturalist—Flowers:** Meet some wildflowers and learn about their importance.

**Skill Building Badges**

**Craft—Jeweler:** Make jewelry with metal or everyday objects, or inspired by another culture.

**Outdoors—Camper:** Prepare for a campout, or learn firebuilding/cooking, knots, or orienteering.

**Animals—Animal Habitats:** Explore habitats at our parks and learn about the animal residents.

**AMBASSADORS**

**Justice Journey**

**Nature Break:** Take a Nature Break with a Naturalist and search for signs of nature growing despite difficult circumstances!

(Revised 11/2012)

**CADETTES**

**Breathe Journey**

**Fresh Air Walk:** Take a walk in the fresh air and learn about how plants care for our air.

**Legacy Badges**

**First Aid—Cadette First Aid:** Meet an EMT to earn this badge.

**Naturalist—Trees:** Learn to identify types of trees and describe the function of each tree part. Or visit us in March to see maple syrup made!

**Skill Building Badges**

**Do It Yourself—Woodworker:** Learn how to use tools by making a wood project.

**Outdoors—Trailblazing:** Let an expert in backpacking help you prepare for your trip, or learn the skill of orienteering.

**SENIORS**

**Sow What? Journey**

**BioBlitz:** Identify as many plants and animals as possible to learn about biodiversity.

**Composting:** Learn how you can turn organic household waste into rich, healthy compost for your home and garden.

**Magical Mushrooms, Mischievous Molds:** Learn about the importance of fungi in a slideshow.

**Legacy Badges**

**Artist—Collage:** Create collages using different materials and color themes.

**First Aid—Senior First Aid:** Meet an EMT to earn this badge.

**Legacy Badges**

**Craft—Textile Artist:** Learn basketry as a unique textile art.

**Outdoors—Adventurer:** Do teambuilding with our staff, who are experts in canoeing and backpacking.
