Round Mountain Section of Deer Path Park: (Readington Township) Riders are only permitted to park at the Soccer Lot in Deer Path Park. About two miles are available to ride. From the parking lot, riders must take the driveway back towards the YMCA to the designated Horse Trail. Turn right on the trail to access the Round Mountain Section. Only in the two lower loops is horseback riding permitted. The second loop of the trail system contains some steep grades.

Deer Path Park, Wings Section & Readington Township Trail Ride:

This ride is over 6 miles. Riders are only permitted to park at the Soccer Lot in Deer Path Park. From the parking lot, riders must take the driveway back towards the YMCA to the designated Horse Trail. Turn left onto the trail and follow the perimeter trail around the park. Near the service road, follow the trail as it turns right onto the Readington Township Trail Easement. This section is very brushy and requires crossing a few small streams. In time the trail comes to an intersection. If you turn left, the trail follows the South Branch of the Raritan River and dead-ends. Turn right to continue the ride and follow the trail to Deer Path Road. Please be considerate to the homes along the trail. (A loop opportunity exists within the Wings Section; see the trail guide.) At Deer Path Road, turn right and follow the road back to Deer Path Park. The road has a slight uphill grade and the entrance to the park will be on the right. Once back in Deer Path Park, ride the designated horse trail back to the driveway to return to the Soccer Lot.
