PUBLIC QUESTION

BE IT RESOLVED, if you do agree to reduce the size of the Frenchtown Elementary School Board from nine to seven members during the course of the 2009-2010 and 2010-2011 school years so as to improve efficiency and to make the Board size more proportionate to the population of the school community?

INTERPRETIVE STATEMENT

Approval of this question will authorize a reduction in size of the Frenchtown Elementary School Board of Education from nine to seven board members over the course of the next two school years. This will be accomplished through the election of two (2) board members at the 2009 annual school election and two (2) board members at the 2010 annual school election. It is anticipated that the approval of this measure will improve efficiency and have the Board size not only be more proportionate with the size of the school population but more in keeping with the size of Boards of Education for similar sized districts statewide.
