Undersheriff

Edward W Davis
Chief Warrant Officer

August 27, 2019

You are cordially invited to join me, and other members of the Law Enforcement and First Responder community, at the annual Hunterdon County 9/11 Remembrance ceremony, at the Historic Courthouse in Flemington, at 8:15 am, on September 11, 2019.

The solemn ceremony will remember those who perished in the September 11, 2001, terrorist attacks at the World Trade Center, the Pentagon, and on Flight 93, particularly the sixteen Hunterdon County residents who lost their lives. We will also honor the heroism of the First Responders on that day, and of all First Responders for their continuing service in protecting the public.

The program will include a first-person account of the duties of the on scene First Responders on 9/11/01, and in the days immediately following, by Hunterdon County resident Gary Breuer, who spent ten days as part of the crisis response team at ground zero.

A retired Raritan Police Officer, Mr. Breuer served then, and continues to serve now, on the New Jersey State Police's Office of Emergency Management Task Force 1, a statewide unit trained for crisis response.

I hope you will be able to attend the 9/11 Remembrance ceremony. Please let me know if you will be able to join us by responding to this email.

Thank you.

Fred W. Brown
Sheriff
