## The Mr. Fix It Program

MR. FIX-IT Program volunteers perform small safety related home repairs for Hunterdon County seniors, age 60 and over and individuals with disabilities..

*The mission of the Mr. Fix It Program is to perform jobs, which if neglected, would adversely affect the safety of the eligible senior or disabled resident. The goal is to help these residents remain safely in their own homes and communities.*

Eligibility Requirements:

- ♦ Must be a Hunterdon County resident (able to show proof of residency)
- ♦ Must be a senior age 60 and over or a person with a disability
- ♦ Must be willing to sign a Hold Harmless Agreement

The repair work is performed by experienced local volunteers. All volunteers have passed a background check. All work is done free of charge to those eligible, however residents are responsible for the cost of materials.
