BUDGET MESSAGE

We are presenting herein the proposed 2006 Operating Budget and the proposed 2006 - 2011 Capital Program Budget for your information and review. The financial information which follows, for the proposed Budgets, has been prepared in full accordance with the requirements of state laws and regulations and with the greatest emphasis on authorizing only those programs, activities or projects which are either mandated upon the County or fully required, in our judgment, to maintain a level of services consistent with growing requirements of the County. Hunterdon County's booming population growth along with extraordinary ratable growth has established the County among the fastest growing counties in New Jersey. This growth has burdened the County's infrastructure, as well as the need for additional services for its residents. As in the past, we will be working to maintain the highest level of services that our residents enjoy now and will require in the future making Hunterdon County a place where people will want to live and work. This Operating Budget provides for those services this year and with the extensive Capital Budget, provides the infrastructure and facilities of the next generation of County residents.

The 2006 Hunterdon County Budget is one which addresses a broad spectrum of financial responsibilities and concerns while providing for reasonable increases in salaries and operating expenses. This Budget acknowledges the County's ratable growth, provides the resources for future debt reduction for projects which may have been financed in the past and funds inflationary increases within Current Operating Budgets. The 2006 County Budget and Capital Budget Program assumes an ambitious program of new construction and renovations to existing structures and improvements to the County's infrastructure. Regardless of these plans, this Budget allows for a tax decrease which allows Hunterdon County's tax rate to remain among the lowest in New Jersey. The Freeholder Board herein, presents a Budget which contains continued services and infrastructure improvements in accordance with the growth of Hunterdon County, yet is mindful of the tax burden of present and future County taxpayers.
