	BUDGET MESSAGE	

We are presenting herein the proposed 2009 Operating Budget and the proposed 2009 - 2014 Capital Program Budget for your information and review. The financial information which follows, for the proposed Budgets, has been prepared in full accordance with the requirements of state laws and regulations and with the greatest emphasis on authorizing only those programs, activities or projects which are either mandated upon the County or fully required, in our judgment, to maintain a level of services consistent with growing requirements of the County. Hunterdon County's population growth has burdened the County's infrastructure, as well as the need for additional services for its residents. As in the past, we will be working to maintain the highest level of services that our residents enjoy now and will require in the future making Hunterdon County a place where people will want to live and work. This Operating Budget provides for those services this year and with the Capital Budget, provides the infrastructure and facilities for the next generation of County residents.

The 2009 Hunterdon County Budget is one which addresses a broad spectrum of financial responsibilities and concerns while providing for minimal increases in salaries and operating expenses. This Budget provides the resources for future debt reduction for projects which may have been financed in the past. The 2009 County Budget and Capital Budget Program reflects a program of renovations to existing structures and improvements to the County's infrastructure. The Freeholder Board herein, presents a Budget which contains continued services and infrastructure improvements in accordance with the growth of Hunterdon County, yet is mindful of the tax burden of present and future County taxpayers.

NOTE:

- MANDATORY MINIMUM BUDGET MESSAGE. MUST INCLUDE A SUMMARY BY FUNCTION OF THE APPROPRIATIONS THAT ARE SPREAD AMONG MORE THAN ONE OFFICIAL LINE ITEM (e.g. if Sheriff's Office S&W appears in the regular section and also under the State and Federal Programs section, combine the figures for purposes of citizen understanding.)
