GROUP NATURE PROGRAMS AVAILABLE THIS SUMMER

For the first time this year, the requestable group nature programs that have always been available during the school year are now available during the summer as well! These programs are perfect for summer camps and recreation programs, as well as other groups that continue to meet in the summer like garden clubs, Moms clubs, and youth groups. Even a group of family or friends can set up a program!

Both field trips to the Hunterdon County Parks and programs that can travel to your location are available. Field trips include Nature Walk, Animal Clues, Birding, Incredible Insects, Amazing Adaptations, Pond or Stream Study, and Plant Study. Most of these last 60-90 minutes and cost \$30 for the group. Most programs take place at the Hunterdon

County Arboretum, Echo Hill Park, and Teetertown Preserve, but they can be conducted in any County park. Some may even be able to be conducted on your property, depending on your set-up.

Indoor programs that can travel to your location include Reptiles Alive, Animal Strategies, Rocks & Minerals, Skull Workshop, Nests & Eggs, Recycling, Water Issues, lectures on wildlife, and many more! These programs are generally 60-90 minutes and cost \$55 per group in-county and \$80 per group out-of-county. We offer a discount of \$10 per program for booking three or more offsite programs.

Minimum group size is 6 and maximum can be 25 or more, depending on the program. We have options for pre-schoolers all the way through adults.

For more details, view our full brochure at: www.co.hunterdon.nj.us/depts/parks/brochures/programsforgroups.pdf

Contact Senior Park Naturalist Laura Bush at (908) 782-1158 or lkroon@co.hunterdon.nj.us to book a program.
