SEVENTEENTH ANNUAL

EARTH DAY CELEBRATION

Saturday , April 22, 2017

10:30 a.m. - 4:00 p.m.

Echo Hill Park (41 Lilac Drive, Flemington)

Get Out! Get Active! Interact with your surroundings! Join the Hunterdon County Division of Parks and Recreation at Echo Hill Park as we celebrate the one, the only, Planet Earth! This year, we are celebrating the Earth on Earth Day itself. Our motif will focus around games and attractions of a Carnival Midway made from repurposed items. Along with our carnival event, old classic activities will be back. 4-H clubs will be returning. Of course, we will also be hosting a Pond Paddle on the Echo Hill Pond with our affiliate, the Hunterdon County Canoe Club. Free tickets are required for a timeslot and are available that day on a first come/first served basis. The day's activities conclude at 3:00 PM with a wild animal presentation by Rizzo's Reptiles.

No registration is required for the Saturday event.
