

Hunterdon County Parks: Winter Wonderland

Hunterdon County Division of Parks and Recreation offers plenty of opportunities for residents and visitors, even during the winter months. With beautiful landscape views, scenic trails and tranquil waterways, the County's parks truly depict the picturesque 'Winter Wonderland'.

Dan Bush, Parks and Recreation Department Division Head said, "With more than twenty-five parks, totaling almost 8,700 acres, we are able to offer recreational activities for the hearty visitor who enjoys the cold and snow of winter, and Van Tours for those who want to enjoy its beauty while staying warm. We have winter programs for everyone and accommodations are possible for our special needs guests."

"There are Cross Country Ski Trails, Hiking Trails, Black Bear Programs to inform guests about staying safe and programs are available for groups who want to visit our parks. We are happy to help and want to make sure your trip to our Hunterdon County Parks is a wonderful experience."
