The United States Department of Housing and Urban Development (HUD) issues an annual Notice of Funding Availability (NOFA) to launch a nationwide competitive process to provide communities with funds to assist those experiencing homelessness with services and housing. The HUD Continuum of Care (CoC) FY2019 NOFA is anticipated to be released in May, 2019. Family Promise of Sussex County serves as the collaborative applicant for the Tri County CoC of Warren, Sussex, and Hunterdon Counties and will be responsible for completing and submitting the application on behalf of the CoC.

The CoC will accept Letters of Intent for renewal and new projects, with the understanding that new projects may be funded if current renewal project funds are reallocated by the Executive Committee and/or through additional funds made available by HUD for bonus projects. HUD has indicated that the FY2019 CoC NOFA will continue HUD's Tier 1 and Tier 2 funding strategy in the FY2019 competition. HUD will also allow CoCs the opportunity to apply for specific new projects through available reallocated funds, new bonus funding, and new Domestic Violence bonus funding. All projects will be scored by a standardized Ranking & Review process; the tool for this process will be published with this RLI on the websites of Family Promise of Sussex County, and Warren, Sussex, and Hunterdon Counties. **The Tri County CoC Annual Renewal Demand (ARD) is \$1,218,262.**

Eligible applicants include non-profit organizations and units of local government. Eligible agencies who have not previously received HUD CoC funding are encouraged to apply. **Applicants must be able to provide services in, or accept referrals from, all three counties, in accordance with the Tri-County CoC Coordinated Assessment process.** Applicants are responsible for reading the FY 2019 HUD Notice of Funding Availability when it is released:

<https://www.hudexchange.info/programs/e-snaps/fy-2019-coc-program-nofa-coc-program-competition/#nofa-and-notices>

HUD requires an electronic submission of all applications in E-snaps; applicants will be required to finish the draft application, with all required attachments, approximately three weeks prior to the HUD deadline. The CoC will review the draft prior to submission.

<https://esnaps.hud.gov/grantium/frontOffice.jsf>.

A mandatory technical assistance session for interested applicants will be provided on Thursday, May 9, 2019 at 11:00 a.m. at Warren County Library Headquarters at 2 Shotwell Dr., Belvidere, NJ. Attending the session is mandatory for all agencies submitting both new and renewal proposals.

Providers must submit Letters of Intent to the CoC no later than Thursday, May 23, 2019 at 3:30 p.m. Electronic submissions are acceptable and may be emailed to jeverett@monarchhousing.org

Coordinated Assessment, Housing First Philosophy, Prioritization of the Chronically Homeless, New Chronically Homeless Definition

Special consideration will be given to project proposals that provide safety, housing assistance, and services to serve vulnerable survivors of domestic violence and victims of other forms of violence as defined by HUD in Category 4 of the homeless definition.

Continuum of Care Membership

The Tri-County Continuum of Care annually welcomes new members and member agencies who seek to join in the mission of ending homelessness for persons in Warren, Hunterdon, and Sussex Counties. The CoC considers opinions pertaining to planning and strategic resource allocation from any individuals and organizations with knowledge of homelessness in the geographic area or an interest in preventing or ending homelessness in the Tri-County region.

Definitions

Chronically Homeless - the new definition for Chronically Homeless went into effect on January 4, 2017 and is as follows: An unaccompanied homeless individual with a disabling condition, or an adult member of a homeless family who has a disabling condition, who has either been continuously homeless for a year or more, OR has had at least four (4) occasions of homelessness in the past 3 years, where all combined occasions has to total a length of time of at least 12 months. Each period separating the occasions must include at least 7 nights of living in a situation other than a place not meant for human habitation in an emergency shelter, or in a safe haven. The term "homeless," in this case, means a person sleeping in a place not meant for human habitation (e.g., living on the streets), in an emergency homeless shelter, or in a Safe Haven as defined by HUD.

Disabling Condition - A disabling condition is defined as: (1) a disability as defined in Section 223 of the Social Security Act; (2) a physical, mental, or emotional impairment which is expected to be of long-continued and indefinite duration, substantially impedes an individual's ability to live independently, and of such a nature that the disability could be improved by more suitable conditions; (3) a developmental disability as defined in Section 102 of the Developmental Disabilities Assistance and Bill of Rights Act; (4) the disease of acquired immunodeficiency syndrome or any conditions arising from the etiological agent for acquired immune deficiency syndrome; or (5) a diagnosable substance abuse disorder. A disabling condition limits an individual's ability to work or perform one or more activities of daily living.

Housing First - a model of housing assistance that is offered without preconditions (such as sobriety or a minimum income threshold) or service participation requirements and rapid placement and stabilization in permanent housing are primary goals. Research shows that it is effective for the chronically homeless with mental health and substance abuse disorders, resulting in fewer inpatient stays and less expensive intervention than other approaches. PSH projects should use a Housing First approach in the design of the program.
