MEDIA RELEASE – NOVEMBER 2, 2018

ANOTHER SUCCESSFUL DEA TAKE BACK DAY IN HUNTERDON

Hunterdon County Prosecutor Anthony P. Kearns, III, Chief of Detectives Frank R. Crisologo, and Hunterdon County Sheriff Fred Brown have announced the results from a joint initiative known as National Take Back Day.

Sponsored by the United State Drug Enforcement Agency, Take Back Day is national event that aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications. Hunterdon County's Take Back Day is a collaborative effort involving the Hunterdon County Prosecutor's Office Narcotic Task Force, Hunterdon County Sheriff's Department, local Police Departments, New Jersey State Police, and the Safe Communities Coalition.

According to Prosecutor Kearns, "This weekend, Take Back Day resulted in a collection of nearly 310 lbs. of unwanted prescription drugs from throughout Hunterdon County. Citizens were able to visit Take Back Day collection sites located at police departments and public buildings to discard of their unused and expired medications. I applaud the citizens that came out to help us in our fight against opioid abuse."

According to the U.S. Drug Enforcement Administration, studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans need to know that that their usual methods for disposing of unused medicines, flushing them down the toilet or throwing them in the trash, both pose potential safety and health hazards.

The following is a list of the Permanent prescription pill drop off boxes in Hunterdon County.
