|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |

**Minor Subdivisions:**

| File # | Application Name | Address | Municipality | Block | Lot | Action Taken |
|--------|------------------|---------|--------------|-------|-----|--------------|
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |

**Site Plans:**

| File #    | Application Name | Address    | Municipality | Block | Lot  | Action Taken |
|-----------|------------------|------------|--------------|-------|------|--------------|
| N2316.002 | Tavern 519       | 650 Rt 519 | Kingwood     | 24    | 1.01 |              |
|           |                  |            |              |       |      |              |
|           |                  |            |              |       |      |              |
|           |                  |            |              |       |      |              |
|           |                  |            |              |       |      |              |

**HUNTERDON COUNTY PLANNING BOARD  
DEVELOPMENT REVIEW COMMITTEE (DRC) AGENDA**

Meeting Date: August 17, 2023 Meeting Time: 8:30am

Location: Planning Department Conference Room, Route 12 Office Building #1

Planning Board Members: Phil Greiner Andy Borkin

**Non-County:**

| File # | Application Name | Address | Municipality | Block | Lot | Action Taken |
|--------|------------------|---------|--------------|-------|-----|--------------|
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |
|        |                  |         |              |       |     |              |

While all subdivision applications are required to be submitted to the County Planning Board, only those which affect or indirectly affect County Facilities require County approval. Staff is authorized to determine which site plans and subdivisions do not require County Planning Board approval and to notify the affected municipalities. As members of the Development Review Committee, we hereby ratify the Non-County determination made by staff of said applications contained under the heading Non-County.
