Location: Assembly Room, Route 12 Office Building #1

Planning Board Members: \_\_\_\_\_

**Non-County:**

File #	Application Name	Address	Municipality	Block	Lot	Action Taken

While all subdivision applications are required to be submitted to the County Planning Board, only those which affect or indirectly affect County Facilities require County approval. Staff is authorized to determine which site plans and subdivisions do not require County Planning Board approval and to notify the affected municipalities. As members of the Development Review Committee, we hereby ratify the Non-County determination made by staff of said applications contained under the heading Non-County.
