

Sharing Services Seminar III

MUNICIPALITIES

Let's look past just sharing into a potential future for delivering municipal services to county residents. Reallocation and regionalization of local governing responsibilities, consolidation and letting the voters speak will be discussed as we present some new ideas about our future.

All Municipal Officials and all taxpayers are encouraged to attend.

Thursday, April 7, 2011 7:30PM

Hunterdon County Complex

Route 12 Main Auditorium

Hosted by the Hunterdon County Shared Services Working Group
