FUNDING & INSURANCE

If you have private insurance, locate the 1-800 # on the back of your card. Call and ask what type of programs are covered and who is covered (self, spouse, children)

If you do not have private insurance, an individual may still be covered by NJ FamilyCARE at 1-800-701-0710

County Funding is sometimes available for its residents for addiction and mental health care. For Hunterdon County, contact HC Human and Social Services at 908-788-1300

AA/NA Meeting Information

908-782-3909

NJ Mental Health Care Helpline

1-866-202-4357

WHAT TYPE OF HELP DO YOU NEED?

EMERGENCY Call 911. New Jersey is a Good Samaritan state meaning no one will be prosecuted for seeking help in the event of an overdose.

DETOX (Detoxification) is a medically supervised process of weaning a person off addictive substance(s). Medical professionals prescribe medications and monitor the patient in a facility to ensure their safety and comfort.

INPATIENT REHABILITATION (IP) Individual stays in a medically supervised facility from a few days to several months depending on facility and insurance. May include Detox.

Partial Hospitalization Program (PHP) Recovering person lives at home or in a sober living facility, and attends a program at the facility on average 5 weekdays, for 5-7 hours each day.

Intensive Outpatient Program (IOP) Recovering person resides at home and attends a program on average 3 days or nights/week for 3-4 hour sessions. IOP provides group and individual therapy.

Outpatient Program (OP) – Usually held once or twice a week. Individual counseling with some group work. Similar to traditional therapy.

Recovery Support Services are ongoing peer to peer support in the community i.e. Recovery Coaching.

Halfway Houses are transitional living spaces for people in recovery from drugs or alcohol. Also referred to as Sober or Recovery houses.

Opioid Treatment Programs (OTP) Medication assisted outpatient treatment for people dependent on opioids i.e. Methadone clinics.

Self Help/12 Step Programs Community based support groups such as 12 Step AA, NA, Alanon (for family), AlaTeen, or other pathways like SMART.
