

BECOMING A POLL WORKER

Poll Workers help the Community exercise their right to vote!

Although done on a volunteer basis, a Poll Worker is a hired, paid position. The standard pay rate for an Election Day is \$200, although compensation may vary depending on the hours of the election and an additional stipend is available for workers who pick up and drop off materials before and after polling hours. There are major elections in June and November each year.

Reliable Poll Workers are essential to the election process!

Eligibility

- Poll workers must be able to work from approximately 5:15am to 8:30pm (*a one-hour break for meals is included*) and must have transportation to and from their assigned polling location.
- Must be a registered voter in Hunterdon County.
- Must attend a mandatory training class. Attending training certifies you to work for two calendar years.
- Must be able to read and write the English language.

Duties

- Set up voting machine, poll books, and other materials.
- Check-in voters and verify their signature.
- If necessary, assist voters in casting their ballot.
- Close polls at the end of the day.

How to Apply

- Submit a completed Poll Worker Application to our Poll Worker Coordinator.
