

COUNTY OF HUNTERDON

Hunterdon County Department of Information Technology Job Vacancy: Senior Network Administrator and Security Analyst

The County of Hunterdon is seeking a qualified candidate to fill the full-time position of Senior Network Administrator and Security Analyst. Primary responsibilities include supporting and maintaining the switch, router, and firewall environments for the County. Works with other network administrators to cross train and assist in maintaining servers and cybersecurity posture (CJIS). Contributes to projects and desktop support under the direction of management.

Requirements include 5+ years' experience with Cisco switching and routing, LAN, MAN, WLAN, NGFW, and Patch Management. A combination of 2 or more of the following certifications, CCNA, CCNP, CISSP, Comp Tia Security+ or similar required. Experience with Active Directory, VMWare, VXRail, and NSX a plus.

This position offers excellent benefits, enrollment in the New Jersey State Pension System, and paid leave.

To Apply: Please submit a County Employment Application, resume, and cover letter including salary requirements. Link to Employment Application: <http://www.co.hunterdon.nj.us/pdf/jobapp.pdf>

Send to: Hunterdon County Human Resources via email personnel@co.hunterdon.nj.us or US Mail to 71 Main Street, PO Box 2900, Flemington NJ 08822

**This position is covered by the New Jersey Civil Service Commission and is an unclassified appointment and does not require an examination, and all service is considered "at-will" employment. Initial appointments are evaluated using a 90-day working test period.*
