

EARLY VOTING UPDATE

On March 30, 2021 Governor Murphy signed S3203 into law. This law requires the use of electronic poll books and establishes In-Person Early Voting in New Jersey.

In-Person Early Voting allows registered voters to vote using machines that produce a voter verifiable paper ballot at designated Early Vote Centers before the day of the election in Primary and General Elections.

How Can I cast my Ballot?

- 1) Any registered voter can appear at any of the three Early Vote Centers during Early Voting polling hours to vote early.
- 2) On General Election Day, Tuesday November 2, 2021 in person voting will be available at voters' regular designated polling locations.
- 3) Vote by Mail Ballots are available upon request from the County Clerk's Office.
**Once a voter applies for a Vote by Mail Ballot that voter is disqualified from voting on the machine for that election.*
