COUNTY & MUNICIPAL DIRECTORY

OF THE

COUNTY OF HUNTERDON
STATE OF NEW JERSEY

PUBLISHED BY THE

BOARD OF COUNTY COMMISSIONERS
Welcome to the 2022 County and Municipal Directory for the County of Hunterdon.

Within the directory you will find valuable information about the Hunterdon County government and also key details regarding points of contact within the twenty-six municipalities in the county.

We believe Hunterdon County is a special place and recently there has been independent, third-party verification of the County as one of the safest, healthiest and best places to live in America.

That recognition has come about through the efforts over the years of many people in our county; county and local officials, our fire and rescue volunteers, our law enforcement community, our school leaders, and our community organizations and volunteers. Many of those people are represented in this directory.

Despite the advent of electronic information, like many people, I always keep a copy of the printed directory near my desk for a quick reference. I hope you find it useful.

Very truly yours,

John E. Lanza
Director
Hunterdon County

The Board of County Commissioners

The top governing body in Hunterdon County is the recently named Board of County Commissioners resulting from P.L. 2020, c. 67. The newly branded Board of County Commissioners used to be referred to as the Board of Chosen Freeholders whose name originated in England, dating back to at least the sixteenth century.

"Freeholders" as a term, was unique to New Jersey, but it is comparable to similar officials in other states where they are called County Commissioners or Supervisors.

Originally a Freeholder was a person in the British Royal Court who was considered responsible in character or otherwise in favor with the King and therefore a worthy recipient as an owner (holder) of land grants in the new American Colony.

Many years later, on July 2, 1776, just two days before the Declaration of Independence was signed in Philadelphia, the Provincial Congress of New Jersey, met in Burlington and declared its separation from King George and the British Parliament. The meeting provided that qualified voters were to elect various officers under the "hands" (approval) of six Freeholders. By then, Hunterdon had been in existence as a County since 1714.

Legislation in 1798 set the make-up of Freeholder Boards at one elected representative for each municipality. There were ten in Hunterdon at that time. It was not until 1904 that State Legislation allowed smaller Freeholder Boards and a public vote set the Hunterdon County Board with three members. By a vote of the people in 1998, the Hunterdon County Board was set at five members, which has continued to this day under the newly named Board of County Commissioners.

As top governing officials of Hunterdon County, the five Commissioners are chosen by popular vote in the November general elections. The term of office is for three years, and the current compensation is $16,000 a year, with an extra $1,000 for the Director.

New Jersey was the last state to hold onto the title of “Chosen Freeholder” and in 2020, legislation was signed (S855) requiring the dated term to be changed to “County Commissioner” effective January 1, 2021. This change brings with it the hope for more participation in local government by residents and clearer understanding of what a “commissioner” does for the community.
