- Ages 4-8 recommended
- \$20 per box

Enjoy spring nature fun from home with your very own Spring Activity Box! Participants will receive a box containing self-paced instruction and fun on the topics of Birds, Wildflowers, Frogs, Insects, and Caring for the Earth. Each topic will be explored with a short introductory video online (link comes in the box), an outdoor component like a scavenger hunt or walk, a game or activity, a craft, and recommendations for further study (books or other Parks programs). All instructions and specialty materials will be included. Some projects will require basic materials found around the home, like crayons or glue. To reserve a box, please return our registration form with payment: <https://www.co.hunterdon.nj.us/pdf/parks/forms/ProgramRegistrationForm.pdf>.

Please note: these are the same activities as in the 2021 Spring Activity Box.
