**New Hunterdon County Health Department Sign Up For Vaccination Clinics
Is Re-scheduled to Friday,
February 12, 2021, at 10 AM**

The Hunterdon County Health Department is improving the process for obtaining a COVID-19 vaccine appointment at the County clinic. The Department is rescheduling the sign up for appointments to Friday, February 12, 2021 at 10 am, to ensure the new process works effectively for the public.

Health Department Director Karen DeMarco stated, “With the new platform, individuals will be able to secure a place on the clinic appointment waiting list. Each week, those next on the waiting will be scheduled for a clinic appointment.”

DeMarco noted, “There are likely over 50,000 individuals in Hunterdon County currently eligible to receive vaccine. The Hunterdon County Health Department is provided only 400-500 first doses of vaccine per week by the state.”
