The Hunterdon County Health Department has announced that vaccination clinic appointments are available for the administration of the Johnson and Johnson vaccine on Friday, May 7 and for the Moderna vaccine on Tuesday, May 4.

Health Department Director Karen DeMarco, stated, “Some individuals may be interested J&J vaccine because of its single dose application and those age 18 and above can schedule appointments on-line at the County website [www.co.hunterdon.nj.us](http://www.co.hunterdon.nj.us) or by calling the County Health Department Call Center at 908 788-1351.”

DeMarco noted, “Both the Moderna and Johnson and Johnson vaccines are approved only for those age 18 and above.
