The Hunterdon County Office of the New Jersey State Department of Education functions as a state-county coordinating agency charged with educational leadership in the county.

The county (437 square miles - 26 municipalities - 128,349 population per 2010 census) has 27 school districts (3 regional high school districts, 1 K-12 regional school district, 1 vocational school, 1 alternative school, 1 regional elementary district, and 20 elementary districts) with approximately 17,634 pupils.

The 27 school districts include 48 school buildings and employ approximately 2,648 full instructional, supervisory and administrative positions. Local school budgets prepared for the 2021-2022 school year total $458,385,243.

All school districts continuously engage in curriculum improvement and professional learning for staff. With offerings in alternative and special needs education, adult education, new courses and methodologies in the general curriculum, facility planning, and vocational-technical education, the programs and practices are regularly reviewed and revised to align with 21st century learning goals and improved student outcomes.

A map locating the Hunterdon County school districts can be found on the inside back cover of this directory.

*Eliminated and merged with Clinton Town as of July 1, 2009
†All elementary districts merged with the high school district
Franklin Township School (FTS) serves over 250 students in grades preschool through eighth. FTS has been recognized for several awards and honors, and most recently was one of only 23 districts across the state to achieve Silver Certification in the Sustainable Jersey for Schools program. FTS provides a challenging, multi-disciplinary academic program and dynamic, co-curricular experience to all of its students. The FTS comprehensive instructional program encompasses an array of services for special needs and gifted children as well as an intervention support system. FTS also prides itself on its hands-on innovation programs and strives to develop students who radiate perseverance, compassion, leadership and self-determination.
